

EAGLE BOA Holders,

The EAGLE Contracting Office would like to notify BOA Holders that the second EAGLE BOA Holder Meeting WILL be held on 06 NOV 2013. The meeting will be held at the Rock Island Arsenal, Building 103 in the Baylor Conference Room (same location as before) and begin at 1200 CT. The meeting will address the issues identified in the BOA Holder Feedback requests. A list of topics to be covered at the meeting will be posted to the EAGLE website in the meeting agenda.

We are requesting that BOA Holders submit any questions ahead of time so the Government will be able to provide a complete and thorough answer. The cutoff day for questions is 18 OCT 2013. We will try to address as many questions as we can given the amount of time available, but we will not be able to address all of them. Those not addressed at the meeting will be answered via email.

BOA Holders can send no more than 2 representatives from their BOA team. This information must be provided to the EAGLE Contracting Office as soon as possible. A registration form is included with this announcement. Please provide a copy to this office NLT 24 OCT 2013. Upon arrival at the gate, present the guard your driver's license or photo identification and advise the guard that you are attending a meeting with Army Contracting Command in the Baylor Conference Room. The guards will have a list of all the registered attendees.
